

# The Hague is the city for entrepreneurs working on innovations for a better world

As ImpactCity, The Hague offers a wide range of opportunities and services to entrepreneurs and impact makers with innovative solutions to help them start and scale their business.

We believe that economic success goes hand in hand with solutions for a better world. We call this “doing good and doing business”. The local and at the same time unique international network of The Hague connects impact investors, NGOs, research centres, knowledge institutes, established companies, governments, and many innovative entrepreneurs who want to make a difference, resulting in a lively and leading impact ecosystem.

To address global challenges, ImpactCity helps impact makers with:

- access to capital
- visibility
- network
- housing
- talent
- room for experiments

ImpactFest

# Get ready to unite with frontrunners in the impact economy and witness a global gathering, where boundaries are shattered, and ideas ignite.

ImpactCity is calling upon startups, scale-ups, investors, knowledge institutes, corporates, policymakers, and passionate individuals worldwide to unite and unleash the power of collaboration at the ninth edition of ImpactFest.

Previous editions have established many successful and meaningful connections. Now it is up to you!

**“This event is a valuable opportunity for us to showcase our products and find potential partners and investors for the future.”**

**Ru Wikmann** CEO at BeeSage

At ImpactFest, you'll be immersed in an atmosphere of inspiration, connection, and collaboration. We dive deep into five crucial themes:

Circular Economy

Food Systems

Impact Cities & Regions

Energy Transition

Peace & Climate Justice

Together we can shape and build a better future for generations to come.
